Wilbert Protective Burial Vaults

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Single Reinforced (Basic)

The Wilbert Venetian: Extra heavy concrete construction, the inner surfaces are lined with a high impact ABS plastic, the cover features a molded church window designed carapace also of ABS plastic providing the rich look of marble. Total weight, 2600 pounds.

The Wilbert Continental: Extra heavy concrete construction, the inner surfaces are lined with a light strentex plastic. The cover and base have a textured finish. Total weight 2,500 pounds

The Wilbert Salute: A veteran burial vault of heavy concrete construction, the inner surfaces are lined with a light strentex plastic. Total weight, 2000 pounds.

The Wilbert Monticello: Heavy concrete construction, the inner surfaces are lined with a light strentex plastic. Total weight, 2000 pounds.
